

Burlington Hotel & Sene Valley Golf Club

**We here at the Burlington Hotel have teamed up with
Sene Valley Golf Club to be able to offer our guests reduced green fees.**

The County of Kent is perhaps the most fortunate in Southern England with the variety and quality of its golf courses. Sene Valley is particularly lucky in having one of the most picturesque golf locations in Kent, with incredible views over the county.

Sene Valley, with its long history, attractive layout and its reputation for a warm friendly welcome, is well worth a visit.
