## a la carte DINNER MENU

We are privileged to have such fantastic produce at our doorstep in Kent, also known as 'The Garden of England' and its surrounding areas. We aim to showcase this on our menu which changes every few months to reflect seasonality and which is inspired by ingredients sourced from local suppliers and farms where possible.

**HOTEL GUESTS** with a dinner allowance included in their room rate are welcome to use it against any food items on this menu. Any extras will be automatically added to your bill.

We appreciate that choice may be limited for our long-stay guests or diners with certain dietary requirements. If this is the case, please do speak with a member of our restaurant team who will gladly ask our chefs to suggest a suitable alternative or to adjust a recipe where possible to suit your needs.

We pride ourselves in offering menus with fresh ingredients. Please note that some menu items may contain allergens. For more information, please ask to speak to a manager.
